The Shop Committee has had a number of complaints regarding the shift bid and the number of shifts on midnights. We spoke to Dave Duffy yesterday to see if there was any way we could amend the bid to make more midnight shifts and less days or afternoon shifts. Dave Duffy stated there was no way to do this as the shift bid was built to the flight schedule and could not be changed.

Will Westwick will be in Cabins at 22:00 on Oct 21 to hear your concerns regarding the shift bid. As management sets the manpower requirements, only management can change the shift bid.
