

eProfile Registration

Access your benefit tools online at your fingertips!

How do I register?

Visit www.claimsecure.com, click on "eProfile™ Login", click on "Register Now". Click "Start".

Step 1:

Click on "start", click on "I Agree".

Step 2:

Select the Wellness Profile options you wish to add to your profile; this is optional and not necessary to create your account. Click "next".

Step 3:

Enter your "User Name"; this will be your sign-on username (e.g. JSMITH).

Enter your "Group Number"; this is the group number found on your identification card.

Enter your "Certificate Number"; this is the certificate number found on your identification card.

Enter your "Last Name", enter your "First Name", enter your "Date of Birth".

Enter your "Email Address"; you will receive an activation email shortly after registration.

Complete the section involving the three "Security Questions". Click "next".

Step 4:

Enter your banking information: Transit number, Bank number, and Account number. Click on "Submit".

You have now created the account. Open the email that was sent to the corporate email address you used earlier, and login to Member e-Profile using your username and the password generated for you. Once you log in, it is recommended that you change your password.
