Re: VPP

The company is offering employees the opportunity, via the Aeronet, to purchase an extra week of vacation for 2011. When dealing directly with the company, it is **your** responsibility to fully understand what you are purchasing. Depending on how many weeks of vacation you currently have, you may be purchasing 4 working days of vacation for a week's pay. Is this a good deal, we don't think so.

If you have any questions regarding the company's VPP program, we suggest you speak to your manager for clarification. Once you have signed up for this program, you cannot withdraw after the closing date.
