Negots Update Bulletin - Feb 1/2011

Your negots team spent the week of November 29 to December 3 at the Union training facility in Placid Harbor to assist in preparing for this round of negotiations with Air Canada.

A survey was put online for you to participate in and provide us with suggestions.

Thanks to the many thousands of our members who took the time to fill out the survey and tell us your thoughts and issues. The response results were overwhelming.

During the week of January 24, your negotiations team met internally to tabulate the results and work on formulating an agenda for the joint meetings with the Company.

Although no date for joint meetings with the company have been set, we will continue to prepare our agenda items. We will try to keep you updated as much as we can as we progress.

In solidarity,

Gary Sinclair
General Chairperson, District 140
Co-Chair, Negotiations Committee
