District 140 Negotiation
Update Bulletin 005

This week, your Negotiations Committee met with Air Canada from May 9 to 12 to continue agenda item discussions.

Since the Company has provided more detail on some of their items, we are now able to respond more specifically to these items.

We are making some measured progress on the items the Company representatives have brought to the table. Talks so far have been cordial as they appear to be willing to work towards solutions.

We thank you for your patience as we continue negotiating a collective agreement to vote on.

In solidarity,

Gary Sinclair
General Chairperson, District 140
Co-Chair, Negotiations Committee
