Negotiations Update Bulletin November 7, 2011

Dear Brothers and Sisters:

The members of your negotiations committee met in Vancouver from October 31 to November 4.

During this time, we reviewed and deleted non-relevant articles and continued compiling agenda items.

As we require at least one more week to finalize the agenda, we will be meeting in Vancouver once again during the week of November 21.

If you have any questions, please contact one of your negotiations representative.

In solidarity,

Your negotiations committee
