Justice for Injured Workers!

We are looking for IAMAW Local Lodge 2323 Members who want to make a stand in solidarity for our injured Brothers and Sisters.

So join us for Injured Workers’ Day on June 1st at 11:00am, as we gather at Queen’s Park and march to the Ministry of Labour, calling on Kathleen Wynne’s government to be accountable and to take a stand for the injured workers of Ontario.

It’s time to take back our Worker’s Compensation!

IAMAW Local Lodge 2323 will be organizing a car pool in order to deliver our members and their message to our Minister of Labour and our Members of Parliament.

If you require assistance getting there, please meet us at our Administrative Offices at 2580 Drew Road. We will be leaving promptly at 9:30a.m. sharp!
