EMPLOYED BY
LOCKHEED MARTIN**

Dear Brothers and Sisters:

Yesterday, June 6, 2016, Lockheed Martin Commercial Engine Solutions announced that they signed a five a 5-year contract with Air Wisconsin.

The high level of skilled expertise, combined with the competitive edge our Lockheed Martin Members bring to the MRO engine and repair overhaul business, are all testimony that we can hold our own in the MRO industry in Canada!

On behalf of Transportation District 140 I wish to take this opportunity to commend our Lockheed Martin Membership for their dedication in providing Martin Commercial Engine Solutions the opportunity of being a successful engine & overhaul MRO centre in Canada.

In Solidarity,

Fred Hospes, President & Directing General Chairperson
Transportation District 140, IAMAW
