Local Lodge 2323, February 2021 Membership meeting cancelled

Attention Members: DISPENSATION GRANTED

Brothers & Sisters,

As the Office of the Premier of Ontario has extended the provincial order against gatherings for COVID-19 pandemic precautions, and for the health and safety of our Members, their families and the general public, Local Lodge 2323 requested dispensation from Grand Lodge to cancel our February Membership meeting.

This dispensation has now been granted.

Once available to proceed, we will communicate the new date to the Membership.

We thank you for your patience and support.

Stay safe.
