### Brother Hartmut Harro Heinz "Harry" Brandt

It is with great sadness and a heavy heart that your Union must inform you of the passing of Brother Hartmut "Harry" Brandt, on April 14, 2021. Affectionately known as "Harry" to his many friends and colleagues, he was a retired Lead Station Attendant who had worked for 28 years in Ramp and Baggage Services in Toronto.

Brother Brandt had faithfully served the Membership as a Shop Steward and actively participated in support of his Union. He will be sadly missed by all his many friends and co-workers.

The family held a private service. The Union will be donating in his memory to MS Canada (Multiple Sclerosis) on behalf of the Membership.

Tributes to Brother Brandt may be viewed on his Memory Wall at [www.grahamgiddyfh.com](http://www.grahamgiddyfh.com). On behalf of the Membership, condolences have been expressed directly to his family.

In Solidarity,

Dave Flowers  
President
