TO ALL IAMAW MEMBERS TORONTO PEARSON AIRPORT - YYZ UPDATE - VOLUNTARY VACCINATIONS

Dear Brothers and Sisters,

International Association of Machinists and Aerospace Workers (IAMAW) representatives have been working collectively with other Union groups through the Toronto Airport Workers' Council (TAWC) and the Toronto Pearson Worker Health and Safety Forum (TPWHSF) together with the GTAA and Peel Regional Health Authority to ensure an efficient and effective vaccination rollout for airport workers who choose to be vaccinated within our airport community.

This week the Province of Ontario has confirmed that transportation workers who are unable to work from home will become eligible to book Covid-19 vaccine appointments beginning on **Monday, May 10, 2021**. This is good news for our members and comes after many months of our collective efforts to advocate on behalf of our airport community.

Your Union has also learned that Air Canada, with the assistance of the province and Peel Health Authority, has been in discussions to open a clinic for Air Canada members. Plans for a clinic close to the airport will be announced shortly and will serve both active and inactive Air Canada members, as well as their families.

We look forward to sharing more information with the membership, as it become available.

In solidarity,

Dan Janssen
General Chairperson
Central Region
