## Mother's Day

There's no job like the job of a Mom. Not only does it require one to have multiple essential skills but also Moms have to be adaptable and available 24/7.

All this with no expectations of a "Thank You"

But not this year! This year we will say thank you to our Moms, showing them that we appreciate and value all that they have done and continue to do.

The Young Machinist Committee wants you to say "Thank You" to Mom, by getting her a cute gift that she will enjoy now and later. Mother's Day is on Sunday May 9th.

For \$20, Mom will get a special glass mug that says "Thanks Mom" and it also includes a custom pancake in jar that comes topped with cinnamon, chocolate chips along with a picture of your choice.

Not only will you be saying thank you but you will also be helping a person in need, as the funds raised will go towards providing meals to the Homeless in our communities.

Thank you for your continued support for these initiatives that directly impact our communities in real time.

Please contact Nicole Tappenden via WhatsApp or text to place your order. (647) 502-2151. There is a limited amount of gifts available and will be available for pick up on Friday May 7th at the Local Lodge.

In Solidarity
