Brother Mohammed Goffur

It is with profound sadness and a heavy heart that your Union must inform you of the passing of Brother Mohammed Goffur, on April 22, 2021. Brother Goffur was a retired Station Attendant who worked in Ramp and Baggage Services in Toronto. He is the loving father of Zia Goffur, an active Customer Service Agent assigned to Toronto Cargo. He will be fondly remembered by all his many friends and co-workers.

Brother Goffur was a continually active participant in his Union, having served as a Shop Steward and Member of the Local Lodge Human Rights and Equity Committee. He was known for his calm and methodical demeanour when dealing with workplace conflict. Brother Goffur remained active in retirement and would frequently volunteer his services as an election teller for the Local Lodge.

A private service and interment were conducted as per his wishes. The Union will be making a donation on behalf of the Membership.

Condolences have been expressed to his family.

In Solidarity,

Dave Flowers
President
