Administrative Offices

July 7, 2021

### **To All Members of IAMAW Local Lodge 2323 New Pension Committee Representative**

With the departure of our ex-President and pension representative Dave Flowers to the PDGC role at District 140 a vacancy opened up on the LL2323 Pension Committee. As President I will be assuming the Pension Committee role and I look forward to assisting the membership in much the same way as my predecessor did. The pension portfolio is a formidable one but I have been taught by one of the best. I am here to help with your pension and retirement questions and concerns. I can be reached at:
