Notice to all IAMAW Local Lodge 2323 Members Message from the New President

On July 01, 2021 Dave Flowers assumed the role of President and Directing General Chairperson (PDGC) of District Lodge 140. I wish Dave all the best in his new position and I look forward to continuing our strong working relationship in our new roles. As your new President of Local Lodge 2323 I am thrilled to be meeting and working with all of YOU, the membership, as well as all the Local Lodge Committees and staff. I endeavour to build upon the strong foundations built here at LL2323 by past Presidents and to continue to serve the members needs. I look forward to the coming challenges and I will do my utmost to make LL2323 as responsive and helpful as can be. I am grateful for this opportunity and I am eager to carry on the proud traditions of LL2323. There lies much work ahead and I know as unified group we can achieve our goals. Stay safe and stay well.

In solidarity,

Paul Hicks
President
