Part Time CSA Grievance

The Union filed a grievance against the hiring of PT CSA's on May 11th, 2005. (202105102462)

The company denied the grievance stating that there was no violation of the CBA (6.03.04). On Monday we approached management asking if they were intending on hiring anymore PT agents. We were told "NO", we are not looking at increasing our numbers. Today Wednesday July 28th, we received email communication that Cargo intends to increase both FT and PT CSA numbers in the near future and are submitting a staffing request.
