TO ALL IAMAW MEMBERS AIR CANADA TMOS BARGAINING SURVEY

Dear Brothers and Sisters,

Your TMOS Bargaining Committee has commenced preparations for the 2022 opener. A critical component when building an agenda to present to the company is knowing what areas of improvement the membership would like us to focus on. To that end, we have prepared a comprehensive online survey. Your bargaining committee reads and analyzes the data compiled from these surveys to prioritize your preferences.

As with the 2019 opener, negotiations will take place within the framework of Appendix XXXIV. As such, the survey was formulated with cost-neutrality in mind. Your feedback is essential for success!

A link to the survey can be found below and on your Local Lodge websites or the District Lodge 140 website. As your Bargaining Committee is scheduled to meet for two (2) weeks of intense preparation in early March, we ask that you take a few moments to complete the survey.
