

## AIRLINE CENTRAL LODGE 2323 I.A.M.A.W.

### Administrative Offices

May 02, 2024

On May 01 your IAMAW union is fighting the fight to have YYZ Airport Workers be paid a proper living wage.

Being paid a living wage would allow YYZ employees to afford adequate shelter, food and other necessities.

We are asking for the support of our membership to sign this petition to help us get to our goal of a minimum living wage of \$25.05 at YYZ Airport. This would mean anyone working at YYZ Airport would start at \$25.05 per hour.

This QR code takes you to the information about the living wage petition and in bold red, **Sign this petition**
