### **ONLINE MEMBERSHIP SURVEY**

Local Lodge 2323 is inviting all of our members to participate in a quick seven question survey to gather input and help provide guidance to your Local Lodge for the upcoming negotiation's committee. This survey is designed to give the committee a very basic understanding of the issues that are important to our members. The survey would like you to clearly outline what your expectations are from your Union during the upcoming negotiations, and what method of communication would you prefer to address issues that are important to you. We want to ensure we are doing what is best to address our members concern.

This survey can be accessed by using one of the following methods below:
