Awesome Membership BBQ

Yesterday was our Local Lodge 2323 membership appreciation BBQ. It was a great sunny day with so many happy faces.

Thank you to all that come to the BBQ. Thank you to all that took food back to the work place for members who could not come to the BBQ because they were on shift. Thank you to DJ Paris (Paris Ganguli) for spinning wicked tunes and a special thank you for so many helping hands to make our event top shelf. Also, congratulations to Kleber De Oliveira and Dan Rosati for each winning a 60-inch TV.

In solidarity
