Dear Sisters and Brothers,

Your Negotiation Advisory Sub Committee made up of members from all 4 Cabin Service Stations held meetings from January 12 to 17 to discuss and plan for the upcoming bargaining.

In the coming weeks, there will be a survey released so that each and everyone one of our members will have the opportunity to request what is important during bargaining.

The committee is also planning to hold information sessions where you can voice all your concerns and questions.

Each Station has created a chat group to make sure that all relevant information is passed on as quickly as possible. If you haven't already joined this group, we urge you to contact your local Sub Committee Member so that you can be added as to not miss any important information

In Solidarity
