

YYZ CARGO SHOP COMMITTEE

August 21, 2025

Attention All **CSA CALL CENTER** Members:

We are inviting interested members to join the

Shift Bid Committee Advisory Group.

The purpose of this advisory is to give members an opportunity to get involved, gain a clear understanding of how the shift bid process works, and provide valuable input from the membership's perspective. By participating, you will:

- Learn the mechanics of how a shift bid is developed and administered
- Provide feedback to ensure fairness and transparency in the process
- Represent your fellow members by sharing concerns and suggestions

This is an excellent way to build knowledge, strengthen engagement, and contribute directly to an important part of our workplace scheduling.

If you are interested in joining the committee, please submit your name to Bill Terkalas/ Nunzio Bellissimo at bterkalas@iamaw2323.ca nbellissimo@iamaw2323.ca by **September 4 2025**.

Your participation and voice matter—this is your chance to be directly involved.
