IAM Union Power

The best Labor Day parade ever. Labor Day reminds us of the struggles and victories of the labor movement. Such victories include: 8- hour work day, 40-hour work week, pensions, overtime pay, workplace safety standards and regulations, collective bargaining rights for members and many more.

Every year your Local 2323 celebrates in the Labor Day parade. This 5km march starts at University Avenue and Queen Street, Toronto and completes at the CNE. What a wonderful turn out this year. Thank you to all that participated in the march. Pictures can be seen on our www.iamaw2323.ca website under the gallery section. Or you can scan the QR code and it will take you directly there. Local 2323 and IAM UNION hope to see you there next year.
