## **YYZ CABINS SHOP COMMITTEE**

**ATT: All Cabins Members**

**January 29 2026**

we are pleased to announce the launch of the **Cabin Services Community Food Pantry**.

This initiative is designed by Cabin Services, for Cabin Services, and provides a simple, confidential way for team members to support one another.

### **How It Works**

- It operates on a “take what you need, leave what you can” basis.
- Non-perishable food items only, such as:
- Canned goods (soups, vegetables, tuna, sauces, etc.)
- Dry goods (pasta, rice, lentils, beans)
- Shelf-stable snacks
- Boxed or packaged meals
- Breakfast items

Members may take from the pantry at any time, no questions asked.

If you are able, you may replenish items to keep the pantry sustainable for everyone.

**The Cabin Services Community Food Pantry** is located on the second floor of the Warehouse lunchroom, just outside the Union Office.

This area was selected for easy access, privacy, and comfort for anyone who needs to use the pantry.

**Together, we rise a little higher when we support one another. Thank you for helping make Cabin Services a community where no one stands alone.**
